With *Rhapsodie Française* (their first award-winning CD together), Jonathan Cohler and Rasa Vitkauskaite established themselves as today's leading clarinet-piano duo hailed as "definitive," "flawless," "dazzling," and "Best CD of the Year" alongside the likes of Rostropovich and Gilels! Their second CD, *Romanza*, is a passion-filled journey of riveting romanticism.

"Cohler plays with a gorgeous sense of legato, and pianist Rasa Vitkauskaite is well-attuned to Schumann's idiom ... Cohler's playing is exemplary his control, phrasing, and technique are faultless"

—*Fanfare, Richard A. Kaplan*

"inspired musicianship and excellent technique ... He fills each score with warm, sincere lyricism; and he grabs the listener with great charisma and vigor ... Vitkauskaite is very much his equal, rendering the music with the poise, prowess, and expressive nuance of an experienced soloist."
