This second in the “Cohler plays and conducts” series includes a selection of the greatest works by Mozart from his last 10 years. All are performed from brand new editions edited by Cohler; and the new edition of the *Clarinet Concerto* is the first major new edition since the 1977 Bärenreiter. Cohler performs on the new Royal Global basset clarinet that he helped to design, and this is the debut recording of that new instrument.

“5 Stars: energetic and finely crafted performances; Jonathan Cohler and his group present excellent interpretations that should be the standard for Mozart”
—Bertil van Boer, *Fanfare*

“...this disc is a must...5 Stars-Scintillating Mozart” —Ken Meltzer, *Fanfare*

“A truly special album, deserving of the highest praise and strongest recommendation.”
—Jerry Dubins, *Fanfare*
